

Terms and Conditions

Effective Date: 2024-7-8

Using Our Services

When you use www.terrorHub.com ("Website"), you're agreeing to these terms. We might update them sometimes. If we do, we'll let you know. By continuing to use the site, you're saying you're okay with any changes.

Your Content

If you share stories, images, videos, or anything else ("Content") on our site, you still own it. But you're giving us permission to show it on our site and other related places. If we want to make big changes to your content, we'll ask for your approval first.

Original Content Ownership: By submitting a story to this platform, you affirm that you are the original author and rightful owner of the content. You warrant that the story is not plagiarized, copied, or derived from any other source without proper attribution. You are solely responsible for ensuring that your story does not infringe upon any third-party intellectual property rights, including copyright, trademark, or trade secret.

Compensation

We don't pay you for your content directly. We might show ads or accept donations to keep the site running. If you're looking to get paid for your work, let's talk about it separately. Please note that compensation is not provided for content shared on platforms related to the website, including but not limited to YouTube, TikTok, etc.

Legal Policies

We have the right to edit or remove any content that doesn't follow our rules. We try our best to keep things secure, but we can't guarantee that someone won't copy your content without permission.

Copyright

Indemnification: You agree to indemnify and hold harmless the platform, its owners, agents, and affiliates from any and all claims, damages, or liabilities arising from any breach of these terms, including but not limited to copyright infringement.

Right to Remove Infringing Content: The platform reserves the right to remove any story that is suspected of violating copyright laws or these terms and conditions without prior notice. If you believe that a story on the platform infringes on your copyright, you may submit a takedown request in accordance with the Digital Millennium Copyright Act (DMCA).
